3. Besides this, a sum of Rs.2,100/- is needed for expenditure in connection with the preparation of special flims sanctioned in Government Order No.L.3845-6/V.P. 25-29-14 dated 29th November 1929. According to this Government Order, an expenditure of Rs.7,000/- has been sanctioned for this purpose but the amount of reserve available with me under 30 - 5 (i) Contingencies was only Rs.4,900/- and out of this, expenditure to the extent of Rs.3,670/- has already been incurred for the purchase of Cinema Apparatus and transmission charges etc., thus leaving a balance of Rs.1,230/-. After making provision for the pay and Travelling Allowance of the Operators and other incidental contingent charges, very little amount will be available with me for the preparation of the films, unless I am permitted to utilise a sum of Rs.2,100/- (to make up the full sanctioned amount of Rs.7,000/-) out of the savings effected in the Chitaldrug District. In the above circumstances, I request that orders of Government may be kindly obtained permitting me to utilise the savings of Rs.4,267/- in the Chitaldrug District, for meeting the pending bills of the Village Panchayet Court and for preparation of films regarding rural reconstruction.

I have the honour to be,

Letter No.C.638/29-30 dated 18/19th February 1930, from the Revenue Commissioner, forwarding for approval a draft circular proposed to be issue in the matter of payment of potgi payable to Village officers for collection of Village Panchayet -- taxes.

The circular proposed relates to the payment of potgi to be given to the Village Officers for -- collection of Panchayet taxes. The matter is one that has to be disposed of by means of a rule or -- order issued by Government.

2. The Revenue Commissioner Consider that the Government Order of 27th July 1927 authorises the employment of Village Officers for collection work of all Panchayets. For the words "will be entrusted" used in the Government Order, the Revenue Commissione proposes to substitute "should be entrusted." This interpretation of the Government Order is not in conformity with Section 34 of the Village Panchayet Regulation.

3. Rates of potgi:-

The rates of porgi is proposed to be fixed at 7% of the actual collection and the Patel receiving 3 per cent and the Shanbhog 4 per cent. The Village Officers in the case of land revenue receive payment at a prescribed scale on the gross revenue. The Government Order of 27th July 1927 says merely that the usual potgi will be paid. Payment based on the gross income is not suitable in the case of Panchayets.

Panchayets. The rules issued under the Local Boards and Village Panchayet Regulation authorised payment at a rate not exceeding 5 per cent for Panchayet collections. Under rule 322 of the Municipal Account Manual, Village Officers may be paid potgi at 3 to 5 per cent and sanction of Government is necessary for payment at a higher rate. In these circumstances, it appears best to fix 5% of the maximum rate and to leave the power to fix the potgi of Village Officers to the Panchayets themselves.

4. Stationery allowance:-

The Revenue Commissioner proposes to pay a stationery allowance of Rs.3/- to Rs.5/- to Village Officers. The rules under the Regulation of 1918 did not authorise the payment of any allowance for this purpose and such payment does not appear to be necessary as the necessary printed forms and receipt books are supplied free of charge by Government and any other statitionery that may be necessary may be supplied by the Chairman.

5. The Revenue Commissioner in his circular proposes that if a Village Officer happens to be the Chairman he should not receive any potgi and that if he happens to be the Secretary he need not be paid anything beyond 5% of the collections under compulsory tax as prescribed in rule 27 of the rules issued under Notification No. L. 3606/L.B. 26-26-101 dated 3rd December 1926. This is neither just nor right. It is not expedient to allow a Chairman or

7. In this connection the policy laid down in Notification No. 5251/L.B. 6-18-11 dated 8th October 1919 and which was being observed till the passing of the Village Panchayet Regulation of 1926 may be followed and provision made for the following

C 638/29-30, dated 8.5.1930. 6

Returned with compliments.

As only about 5 per cent of the Village Panchayets have an income exceeding Rs 500/- per annum and about 75% less than Rs 200/- there is little scope for the appointment of a whole time servant for the collection of the Village Panchayet funds, and at any rate, for the present, it is desirable to entrust this work to Village Officers excepting where Village Panchayets want to do the work themselves.

As the Patels are not able to maintain accounts in the majority of cases, the help of the Shanbhog is necessary. It is not also possible to entrust the Collection to the Shanbhog, as the Shanbhog may not reside within the Jurisdiction of the Village Panchayet. I have therefore proposed in another connection that both the Patel and the Shanbhogue may be entrusted with the collections, the Patel attending to the actual collection and the Shanbhogue to accounts connected therewith. This seems to be the safest arrangement.

I am not in favour of making the Village Officers subordinate to Village Panchayet Officers as implied in Provision 4. There is no objection to the Village Pannhayet getting information as regards collection, but I am opposed to giving them any other authority over the Village establishment. I have no objection to the rate of Potgi being reduced to 5 per cent, 2 per cent being allowed to the Patel and 3 percent to the Shanbhogue.

It is better to fix these proportions instead of leaving the matter to the discretion of the Village Panchayets. It is always most convenient to allow these Village Officers to get their own stationery, otherwise there is likely to be some complaint and friction.

I am of opinion that the circular already submitted by me is sufficiently comprehensive and will be much simpler in its operation and may be adopted with the modification suggested by me as regards the rate of Potgi.

Submitted with the opinion of the Revenue Commissioner.

As agreed to by the Revenue Commissioner, such of the Village Panchayets as wish to collect the taxes through their own agency may be permitted to do so. When the collection is done by the village staff both the Shanbhog and Patel may be entrusted with the work. The village officers may work under the supervision of the Revenue Officers. The patel may - - receive two per cent and the Shanbhog 3 per cent as remuneration besides ~~to~~ stationery allowance.

The Revenue Commissioner has not offered any opinion as regards cases falling under section 40 (2) of the Village Panchayet Regulation. This question may perhaps be decided when it is specifically - - ~~revised~~ raised on a future occasion.

raised

The Revenue Commissioner considers that with a slight modification his Circular may issue. The subject matter of the Circular is not one that ~~can be~~ may be disposed of by a Circular. In order to legalise payment from the Panchayet Fund, rules have to be issued under Sec 65 (2)(g). by Government. A Government order may therefore issue in the first instance in the matter and the Revenue Commissioner asked to submit a draft of the rules to be issued.

SIR,

I have the honour to forward herewith a draft circular which I propose to issue to the Deputy Commissioners of Districts in the matter of potgi payable to Village Officers for collection of Village Panchayet taxes, and to request that the approval of Government may be kindly obtained thereto at an early date.

Draft Circular. 13

In Government Order No. L. 548-57 V.P.1-26-16 dated 27th July 1927, it has been directed that the collection work in Village Panchayets ~~will~~ shall be entrusted to local Patels and Shanbhogs and the usual potgi paid to them whenever necessary. In giving effect to this order, it has come to the notice of the undersigned, that different scales of potgi are in vogue in different districts. Doubts have also been raised as to whether the potgi should be calculated on the gross revenue of the Village Panchayet or on the actual collections and whether ~~to~~ potgi is payable to Village officers who have been appointed as Chairmen or Secretaries of the Village Panchayets. The following instructions are therefore issued for the guidance of local officers:-

1) The potgi payable for collection of Village Panchayet taxes to the ~~Vil~~ Patels and Shanbhogs will be fixed at 3 per cent and 4 per cent respectively on actual collections and not on the gross revenue of the Panchayet.

2) In addition to the above potgi, they will also be given contingent allowance at the following rates for stationery etc.,-

	Panchayets with an annual income of Rs 200/- and below-	Panchayets with an annual income of above Rs 200/-
Shanbhogues	Rs 2/- per annum	Rs 3/- per annum
Patels.	1/- "	Rs 2/- "

3) If the Village Officers ~~happen to~~ are also be chairmen of the Village Panchayets, they will not be given the potgi. No separate contingent allowances are necessary as the contingent charges allowed to Village Panchayet Offices will cover these expenses also.

whether

4) Wherever a Village Officer is appointed as Secretary of the Village Panchayet, he should draw only the allowance prescribed therefor under rules viz. a remuneration not exceeding 5% of the actual collection of taxes (vide rule 27½ of the Rules sanctioned in Notification No.L.3606-L B-26-26-101 dated 3-12-1926) He will not be entitled to the potgi ~~and contingent allowance~~ allowable for collection work separately in such cases.
